

BRADFIELD PARISH COUNCIL

ANNUAL REPORT 2025 - 2026

CHAIR'S MESSAGE

Over the past year, Bradfield Parish Council has continued its commitment to investing in and supporting the green spaces that sit at the heart of our community.

Enhancing Our Green Spaces

This year has seen the successful delivery of Phase Two of the Dungworth Park tree planting project. Working in partnership with local volunteers and pupils from Dungworth Primary School, we have planted new hedgerows to help protect the growing orchard established during Phase One.

These nature-based improvements are an important step in ensuring our parks remain vibrant, sustainable spaces supporting not only residents, but also local wildlife.

Strengthening Community Partnerships

We have continued to build and strengthen relationships with local community groups. These partnerships are vital in ensuring that Bradfield Parish Council plays an active role in supporting the incredible work already taking place across the parish.

It is through this shared effort that we help maintain Bradfield as a thriving, connected, and supportive community.

Supporting Local Events and Activities

Throughout the year, the Parish Council has remained proud to support a wide range of sports initiatives and community events. Highlights include our continued backing of local galas such as Stannington Carnival and the Oughtibridge Gala.

These events are a cornerstone of community life, bringing people together and celebrating all that makes our parish special.

Remembrance and Community Pride

This year also saw the rollout of our Remembrance Day poppy installations across the parish.

This initiative was made possible thanks to the dedication of Councillor Jane Westwood-Gray, alongside many volunteers and local businesses who generously gave their time to support the installation. The displays were a powerful tribute, reflecting our community's deep respect and pride in remembering those who made the ultimate sacrifice.

Chair of Council, Councillor Tom Vickers.

FINANCIAL REPORT 2025/2026

The Parish Council approved expenditure for the financial year 2025/2026 of £367,782.

The Council's expenditure relates to services carried out in the area, enhancing the work of Sheffield City Council and local community groups, maintenance of its assets, which include Council offices, Coronation Park, Birtin Cemetery, Low Bradfield public toilets, several stone built bus shelters, vehicles and equipment, numerous wayside seats and noticeboards, and provision of illuminated Christmas trees throughout the Parish.

An amount is also set aside each year for grants to local organisations. The list of grants awarded during 2025/2026 can be found on the website. The precept collected from the local taxpayers amounted to £258,931. The balance was met from reserves, income from Birtin Cemetery, rental income, Community Infrastructure Levy and other miscellaneous income. The Council's accounts are subject to external audit. The external audit will be undertaken in July 2026 and the accounts will be made available to the public during July 2026. The final audit report will be displayed after completion of the external audit. For the current year 2026/27 budgeted expenditure amounts to £377,581 with a precept of £271,728.
